

Fab First Aiders and How to Build Them:

Make a list of fab ideas to improve things after this course

While you're on your training there are bound to be little things you think of that should or shouldn't be happening, or equipment you think you need. Make some notes here so you don't forget:

- ☀ *Update First Aid Kits*
- ☀ *Look at previous accident forms*
- ☀ *Check accident record book*
